

Vendor Privacy Policy

Your Privacy

At AssetVal, we believe it is important to protect the privacy and confidences of our Vendors. This notice is intended to explain how we use and protect the information that we collect. It will explain the choices you may make about the use of that information.

What Information Do We Collect About You?

We collect certain types of information about you. This may consist of:

- Your name, address, and telephone number
- Your email address
- Your license information
- Your social security or government ID numbers
- Your Demographic/Diversity information

We collect this information from the application you fill out on our website, in order to complete valuation assignments for us.

How Do We Use This Information?

We use the information we collect to send you order requests, when available in your service area. **WE DO NOT SHARE** your information with other companies.

How Can You “Opt Out?”

We do not share your information so there is no need to opt out.

The information We Collect about You on Our Website

When you enter our website, we automatically collect and store certain information. This consists of:

- Your IP Address
- (Internet Protocol Address) and domain name.
- The type of browser and operating system you use.
- The time of your visit.
- The pages of our site you visit.

Cookie Usage

In order to provide you with customized service, we make use of “cookies.” Cookies are essentially files that help us identify your computer and respond to it. You may disable cookies on your own computer, but you may not be able to download online documents unless cookies are enabled.
